Presented with the support of the following sponsors:

**PASSPORT TO THE HOLIDAYS, 2014**, is the 43rd annual production of Holiday Tapestry. As creators and directors of Galena Street East our musical celebration is a collection of Christmas moments designed to give the thousands of young singers and dancers since 1972, an opportunity to share what we love most about the holidays.

For over 43 years, we have traveled around the world representing our city and state sharing our talents and gaining wisdom from all of our new friends around the world.

This past summer we performed in Florida at DisneyWorld and at the Orlando Veteran's Center and Children's Hospital. Our lives are forever changed by the strength and courage of all those we were able to serve. Tonight we will take you to countries around the world honoring their customs and traditions. Tonight Holiday traditions from around the world will be shared in song and dance by our young performers. This season of year fills our hearts with gratitude for our performers past and present, and their wonderful parents who give so unselfishly as does our artistic, administrative and technical staff. We give accolades to our Holiday Tapestry Chairperson, Kelli Bertagnini (a former Galena member) for her organizational skills, talents and love that she shares with us to help create a successful production. It is with such joy that we watch our performers grow and develop in their wisdom and talents and then share them with the world.

We say "BROVO" to Ron Cisneros, our head choreographer, for his genius and willingness to share his great talents. It has been so thrilling to have former Galena members return as teaching staff, group leader, heads of committees and parents of present performers. It is our prayer that harmony, love and good will towards other will fill your heart as you rejoice with us with passport in hand to night filled with music and love.

May God bless you and your family, as we celebrate the joy of the season and the birth of the Savior of the World.

*Jeri & Richard Clinger*  
 Creators & Directors, Galena Street East

THE MISSION of Galena Street East is to serve the community through entertainment presented by professional trained young performers to provide uplifting programs that educate and inspire. The hard work and dedication put forth by our young performers is evident in their skill and grace as they take the stage for each performance.

## Artistic & Musical Directors

**Richard & Jeri Clinger** are the Artistic and Musical Directors as well as the founders, directors and driving forces behind Galena Street East. Entering their forty-third year of Galena Street East, they create the artistic concepts, musical arrangements and then develop the talent for this highly energetic group of young performers. The Clingers have distinguished musical and theatrical careers and bring years of professional experience to Galena. With degrees in Music and Special Therapy, they both have received honors for outstanding work in their respective fields. As educators they enjoy teaching at Sacramento City College. Together they recently were awarded the prestigious "Freedom Foundation at Valley Forge Award" for fostering patriotism in youth for over forty years. In July 2012, they received the lifetime service award for community service from the President of the United States. The Clingers have appeared in concert in Europe, Japan, Taiwan, Mexico, the Caribbean and across the United States. Their performances in Los Angeles were with Lawrence Welk and Disney. Jeri has an extensive background in theater, music, and ballet. Richard has appeared several times as a guest piano soloist with the Utah Symphony and on national radio in a tribute concert to Chopin. They directed the children's chorus for the Sacramento Opera company for over ten years. The Clingers believe in giving back to their community and have directed the productions for the opening of the Sacramento Railroad Museum, the Sacramento Community Center, the Pony Express Monument, and the reopening of Old Eagle Theater. They have worked for Sacramento Music Circus over a span of fifteen years.
