Message from the Board...

This performance by the new Lincoln Theatre Company Choristers advances our mission to showcase local talent. The Choristers present an opportunity for singers from all over Lincoln to display their skills, enjoy good fellowship and provide the community with some wonderful family-friendly entertainment. The Choristers will present another concert later this year and welcomes auditions from new members. Information is available under the Choristers tab on the Lincoln Theatre Company website.

We look forward to seeing you in April at our production of "On Golden Pond," the stage version of the Oscar-winning movie starring Henry Fonda, Jane Fonda, and Katherine Hepburn. Our show will be directed by Diane Bartlett, herself an award winning actress and director. Diane is sure to bring out the humor and warmth in this story about three generations of family relationships. On the back cover of this program you'll learn more about this and our plans for later this season.

Last year, with the help of our donors, we made major investments in sound and light equipment and stage improvements, and provided scholarships for children participating in our theatre program. We were honored by the Lincoln Area Chamber of Commerce as the area's Best Non-Profit for 2015. Our plans call for major improvements to the Civic Auditorium and continued support for youth activities. Ticket sales only provide a fraction of the costs of operating a theater, and little to the cost of improvements needed to make this Civic Auditorium a complete and comfortable performing arts venue. We will be needing construction services of many kinds and would welcome contributions of such services from licensed contractors in and around our community. For more information about this, call our box office number. We've made it easy to support our efforts with a tax-deductible donation via our website. Finally, if you would like to volunteer to assist in one of many ways, there's a volunteer page on our website as well.

Thank you, and see you at the theater!
