## **BRAINSTORM**

*By Scott Lounsbury*

*Heart beats, breath catches,  
Pupils pop as image flashes  
Blood pounds, neurons trip,  
Imagination starts to flip:  
Celebration, cellular;  
Fluttering, ventricular,  
Watch as the excitement takes  
you leaping to the sky!*

*Brainstorm building,  
new thoughts crashing,  
Bold ideas in lightning flashing,  
Brightening your vision, seeing  
Bold new ways of living, being.  
Rhythmic impulse: generation,  
MAGIC fire of your creation!  
Go, and build the world envisioned  
clear in your mind's eye!*
