 EL DORADO
MUSICAL THEATRE

July 8 – 17, 2016

El Dorado Musical Theatre and High Voltage

About to begin our sixteenth season, EDMT is one of the premier youth theater companies in the Western United States. More than exceptional theater, it is also a place where young people can "build confidence for life through excellence in theater production."

The High Voltage company consists of 19 young performers who are some of the top talent from El Dorado Musical Theatre. Each member is lead material in their own right. When they perform together, the onstage result is magical. We hope you agree!
